

REMARKS

This responds to the **March 17, 2009** Office Action.

In the Office Action, claims 1-8, 10-23, and 29-33 are noted as pending in the application, claims 1-5, 7-8 and 10 stand rejected, claims 6 and 11 are objected to and claims 12-23 and 29-33 are allowed. No claims have been withdrawn from consideration.

Applicant appreciates the indication of allowed and allowable claims. Claims 6 and 11 are objected to but would be allowable if written in independent form. Claim 1 has been amended to incorporate the recitations of claim 6, and claim 11 has been placed in independent form incorporating the recitations of claim 1 prior to the present amendments.

Claim 6 has been canceled.

It is believed that all claims are now in a condition for allowance, and early notice to that effect is respectfully requested.

Reconsideration of the application and claims in view of the foregoing amendments and remarks is respectfully requested.

If the Examiner does not believe the foregoing amendments place the application in a condition for allowance, Applicant respectfully requests the courtesy of a telephone interview to discuss the claims.
